NEW OS & OCC-SC100 PACKAGE SHAVING TOOL

The UJC would like to announce the launch of the new OS & OCC-SC100 package shaving tool (Kit Number: K13) to be used for the specific tight buffer fiber package of OS & OCC-SC100 cable.

While the package shaving process in UJCM026/3, this kit will provide high accurate shaved dimension, so that rate of fiber window will be improved rather than conventional shaving tool K6. Although Kit K6 was discontinued, it still available to use.

New package shaving tool K13 does not require additional training for OS and OCC-SC100 qualified joiner.

Length: 70mm, Width: 30mm, Height: 30mm

New package shaving tool (K13) accepts ordering now and this may be purchased from any Universal Jointing Consortium Members listed below.

If you have any question on this matter, please do not hesitate to contact your supplier or directly contact Kokusai Cable Ship (uj.sales@k-kcs.co.jp)
